## Food and Nutrition Services

### What we do

Our cafeteria is the heart of the hospital. Our food service team makes our Mercy Hospital South heartbeat. The FNS staff are crucial to providing healthy meals for our patients and a warm place to gather for our visitors. Some members of this department create and serve delicious meals for patients, visitors and coworkers; some members help deliver food and comfort to patients in the hospital and other members help create and maintain an inviting and clean environment. Our staff performs critical checks for food safety and ensure all procedures are followed correctly. Performs all other duties as assigned.

### Requirements:

- Candidates must be able to read and understand basic instructions.
- While we would prefer someone with a high school diploma or GED equivalent, we would be delighted to provide on the job training to help you succeed here at Mercy
- Food Service coworkers are expected to interact with our patients, visitors, and coworkers in a warm and friendly manner
- Previous experience in healthcare or hospitality field is helpful
