

**Who We Are Looking For**

We typically hire high school students around the St. Louis area or college students (16 and over preferred) looking for a part-time job. The candidate should also have a schedule flexible enough to allow for evening and weekend work throughout the year.

This is Not Just a Summer Job

While you will be expected to work more hours during our peak seasons we still expect you to be available the rest of the year while we are open for operation. The amount of shifts you get is dependent on your availability and experience. Your hourly wage will increase based upon performance, experience, and availability.

Competitive Pay

We have a higher pay and more frequent pay increases than most part-time jobs. In addition, we award our in-town college students with scholarships. We are dedicated to providing a high level of service to our customers that cannot be accomplished without creating and maintaining a culture of hard work and setting high expectations for our employees.

How to Get Started

If you have read everything above and are ready to set up an interview, call our Chippewa location (314-481-2652) anytime between 12:00PM and 5:00PM Monday through Friday and ask to speak with a hiring manager. While you are on the phone, be prepared to answer a couple basic questions and set up a time to interview with us. The sooner you call the better; once we have interviewed a certain number of people we stop the hiring process for the season.
